*Finally there is a planning model that is easy to understand and provides low cost, high yield, consistent income. This process avoids losses, reduces fees and puts more money where it belongs... in your pocket. It is so simple that you may say, "Why didn't I think of it myself."*

This classroom course is focused on empowering you to make fact-based financial decisions. If you are wondering why the markets do what they do, seemingly without any rhyme or reason, this course is for you. Learn how to recognize the dangers in your financial plan and how to side-step their negative effects on your portfolio. Gain the confidence needed to move past daily market performance concerns and interest rates and enjoy retirement.
